IWG/AM-22  
Control No. 2054  
4 August 1954

MEMORANDUM FOR: IWG

SUBJECT : Transmittal of Statement of "EDAC Requirements for Shipping and Cargo Data"

1. Attached is a statement of requirements furnished by the MDAC member.

2. This problem was considered at the IWG meeting of 22 July. Attention of members is called to the minutes of the meeting which summarize developments on an MDAC proposal for the establishment of a central staff responsible for assembly and publication of fragmentary shipping and cargo data (see IWG/M-63 of 2 August). Members are asked to review and to be prepared to comment on the attached at the next scheduled meeting of IWG.
